Dear Mr Hung

**Result of examination for the degree of Doctor of Philosophy
Mathematical, Physical & Life Sciences Division**

I am pleased to inform you that you have been granted leave to supplicate for the degree of Doctor of Philosophy, as approved on 13/09/2022. On behalf of the University, I would like to congratulate you on this considerable achievement.

You will soon receive an email from the Degree Conferrals Office inviting you to have your degree conferred, either at a ceremony or in absence. Before your degree is conferred you must deposit a digital copy of your thesis with the Oxford Research Archive (<https://ora.ox.ac.uk/deposit>). This library submission is compulsory, and must be completed at least five days before your degree conferral ceremony.

If you require proof of your degree prior to your graduation ceremony, you can obtain a Degree Confirmation Letter through the University's [eDocuments](#) service. Please contact edocuments.support@admin.ox.ac.uk if you have any questions about this service.

Very many congratulations again on your achievement.

Yours sincerely,
