Dear Julio Liu

Thank you for your application to the Novo Nordisk Foundation for the call:
Postdoc fellowship for research abroad – Bioscience and Basic Biomedicine 2025

Following peer review, the Novo Nordisk Foundation has the pleasure to inform you that your application with the project title and application number:
Decoding specificity and regulation of sMaf dimers as transcriptional switches - 0100708 has been awarded a grant.

The grant agreement can be found in the "My tasks" section in NORMA (<http://norma.novonordiskfonden.dk>). The grant agreement contains the details for the funding as well as terms and conditions for the grant.

Kind regards,
The Novo Nordisk Foundation
