

9th EUROPEAN CONGRESS OF MATHEMATICS

Dear Nurbek Kakharman,

On behalf of the Grants Evaluation Committee, we contact you from the Technical Secretariat of the 9th European Congress of Mathematics, which will be held in Seville, July 15-19, 2024; regarding the result of your grant application.

Congratulations! We are happy to communicate you that, your application has been accepted. We recall that the grant covers the registration fee, travel costs up to 600 euros and accommodation in a shared room in a student's residence arranged by the organization of the 9ECM.

Please, confirm if you are still interested in attending the Congress before March 22nd.

If we don't receive any communication from you before that date, we will understand that you refuse the grant.

We will contact you again soon to complete your registration process and arrange your travel details.

Best regards,

9ECM TECHNICAL SECRETARIAT
