

This is to certify that

**Lee Jia Qi**

from

**Nanyang Technological University**

was named

*Highly Commended*

in the

**Medical Sciences**

category in **The Global Undergraduate Awards 2024** Programme.

The Global Undergraduate Awards is an international academic awards programme that recognises originality, innovation, and excellence at the undergraduate level. This individual's work has been recognised as being in the top 10% of this category, which was open to all undergraduate students in universities, colleges, and institutes around the world.

The submissions were assessed by a Judging Panel of international academics, led by a Chair or Co-Chairs, and the process has been deemed as fair and appropriate.

Dear MR LEE JIA QI,

**DEAN'S LIST**

It affords me great pleasure to congratulate you on your excellent academic achievements in the academic year 2020-2021, which have earned you a place on the Dean's List. Your performance places you among the highest achievers in your programme.

On behalf of the School of Biological Sciences, I commend your endeavour and wish you well with your continued development.

With Best Wishes,
