Dear Yeva,

I am happy to let you know that your application for CMSA Student Support for the 5ICC was successful. Unfortunately, due to the large number of applications, we are unable to award the full \$400. You have been awarded \$350 AUD.

Please remember that (if you haven't already), you must:

- (1) submit the abstract for your talk at 5ICC to the conference organisers, following the instructions at <https://www.monash.edu/5icc/talks.html> and
- (2) register to attend the 5ICC at <https://www.monash.edu/5icc/registration.html>

**Important dates:**

- \* Earlybird registration closes: 31 October
- \* Abstract submission closes: 1 November
- \* Registrations close: 25 November

You will be given the Student Support money during the conference, in a manner to be determined by the CMSA Council and the conference organisers. (Sometimes a cashable cheque is written for each student, which you can cash at a particular bank on campus. Sometimes students are given cash.)

I look forward to seeing you at 5ICC in Melbourne in December.

Regards,  
Kerri Morgan  
Coordinator, CMSA Student Support 2017
