To Whom It May Concern,

Letter of Recommendation for Dr. Aamir MEHMOOD

Dear Sir/ Madam

It is with great enthusiasm that I recommend **Dr. Aamir MEHMOOD**, Lecturer at the Department of Mechanical, Mechatronics, and Manufacturing Engineering, University of Engineering and Technology Lahore (Faisalabad Campus), for the 2025 Hong Kong Laureate Forum.

Dr. Mehmood is an accomplished scholar and educator whose expertise aligns seamlessly with the Forum's interdisciplinary vision. A Ph.D. graduate of The Hong Kong Polytechnic University, he specializes in energy systems modeling, decision-sciences, techno-economic-environmental analysis, and sustainable development goals (SDGs), with over 20 publications in esteemed journals. His academic distinction is underscored by awards such as the Hong Kong Postgraduate Fellowship and Best Master's Thesis accolades.

Having participated in the inaugural 2023 HKLF, Dr. Mehmood is uniquely positioned to foster cross-cultural academic collaboration. Since joining our faculty in December 2023, he has demonstrated exceptional dedication to advancing renewable energy solutions through innovative models, directly addressing global sustainability challenges. His multidisciplinary approach and proactive engagement with SDGs make him an ideal candidate to benefit from and contribute to the Forum's knowledge-sharing platform.

Beyond research, Dr. Mehmood excels as an educator, cultivating dynamic learning environments that inspire undergraduate engineering students. His commitment to mentorship and societal impact further exemplifies his holistic academic ethos.

The Department of Mechanical, Mechatronics, and Manufacturing Engineering wholeheartedly endorses his application. We are confident his participation will enrich both his research trajectory and the Forum's collaborative spirit.

Best Regards,

Dr. Hafiz Farhan Maqbool
