

Name: Jian Wangjian School/Department: School of Mathematical Sciences
 Student Number: 1401110008 Major: Pure Mathematics
 Program: Doctor Period of Study: Sept.,2014 - July,2019

| Course Title | Type | Credit Units | Grade | Remarks |
|--|------|--------------|--------|---------|
| Qualifying Examination | R | 0 | P | |
| 2014-2015 Fall | | | | |
| Riemannian Geometry I | E | 3 | 64.00 | |
| Functional Analysis II | R | 3 | 87.00 | |
| Abstract Algebra II | E | 3 | 63.00 | |
| Chinese Marxism and Its Modern Effect | R | 2 | 83.00 | |
| 2014-2015 Spring | | | | |
| Differential Topology | R | 3 | 85.00 | |
| Real Analysis | R | 3 | 100.00 | |
| Partial Differential Equations | R | 3 | 85.00 | |
| 2015-2016 Fall | | | | |
| Commutative Algebra | R | 3 | 71.00 | |
| Ergodic Theory | E | 3 | 88.00 | |
| Riemann Surfaces | E | 3 | 94.00 | |
| Academic English Writing For Graduate Students | R | 2 | 92.00 | |
| 2015-2016 Spring | | | | |
| Symplectic Geometry | E | 3 | 90.00 | |
| Topics in Partial Differential Equations | E | 3 | 91.00 | |
| 2018-2019 Spring | | | | |
| Teaching Practice | R | 2 | P | |
| -End- | | | | |

| | | | | | |
|-------------------|-------------------------|----|----------------|-------------------------|----|
| Credits Attempted | Required/Distributional | 15 | Credits Earned | Required/Distributional | 21 |
| | Elective | 24 | | Elective | 18 |

Peking University

Graduate School

Date Printed: July 1,2019

Peking University Graduate Academic Transcript Guide

I. Academic Year and Semester

There are 3 semesters in each academic year, namely Fall, Spring and Summer. Fall and Spring are regular semesters with about 16 weeks of scheduled classes and 2 weeks for the final exams. The Summer semester usually lasts for 2-5 weeks according to different course requirements.

II. Course Type

R(Required Courses), D(Distributional Courses), E(Elective Courses).

III. Credit Units

One course credit unit is usually equivalent to 16 hours of instruction.

IV. Grading Systems

1. The one hundred mark system was in effect prior to Fall 2017.

a. The highest grade was 100 and the lowest was 0. For required courses and distributional courses at the graduate level, credits were given for 70 points and above; for elective courses, credits were given for 60 points and above.

b. Other grades used: Pass, Fail, Excellent, Good, Exempt

2. Letter grades are effective from September 2017.

a. The following table shows the conversion between the letter grading system, the one hundred mark system and the grade point. b. Other grades used:

| Letter Grade | One Hundred Mark System | Grade Point | Definition |
|--------------|-------------------------|-------------|------------|
| A+ | 95-100 | 4.0 | Excellent |
| A | | | |
| A- | 90-94 | 3.7 | |
| B+ | 85-89 | 3.3 | Good |
| B | 80-84 | 3.0 | |
| B- | 77-79 | 2.7 | |
| C+ | 73-76 | 2.3 | Average |
| C | 70-72 | 2.0 | |
| C- | 67-69 | 1.7 | |
| D+ | 63-66 | 1.3 | Pass |
| D | 60-62 | 1.0 | |
| F | 0-59 | 0 | Fail |

| Grade | Grade Point | Definition |
|-------|-------------|---|
| EX | N/A | Exempt |
| IP | N/A | In progress (multiple-term courses) |
| I | N/A | Incomplete (marked when application is approved for taking exams later because of illness or other unavoidable circumstances) |
| P | N/A | Pass |
| NP | N/A | Not Pass |
| W | N/A | Withdrawal |

V. We do not rank graduate students in Peking University.

VI. Grade Point Average (GPA) is calculated for graduate students admitted to Peking University in September 2017 and later.
