Hi Kevin,

I hope that you're well. I'm pleased to let you know that you have been nominated for a Science Student EDI Award. After careful review by our panel, I'm delighted to let you know that you've been selected as one of the recipients of our 2021 Science Student EDI awards. Congratulations and thank you for your ongoing commitment to equity, diversity, and inclusion!

From here I'd ask for two things by **5.00 pm, Friday, 12 November**,

1. Please fill out the attached ER1 form so we can work on processing your award payment.
2. We won't be publicly giving out these awards this year but would like, if you are comfortable with this, to showcase our winners on Science's social media accounts. If you are happy to be publicly identified as a recipient of the award could you please fill in the attached photo release form and send on a professional quality headshot. If you do not wish to be publicly identified that is completely fine – just let me know.

Thanks and congratulations again!

Mikaela
