

Rui Ma

rui.ma@bit.edu.cn

Education

Peking University, Beijing, China	Ph.D. 09/2011-07/2017
Department of Scientific and Engineering Computing, School of Mathematical Sciences	
Peking University, Beijing, China	B.S. 09/2007-07/2011
Department of Scientific and Engineering Computing, School of Mathematical Sciences	

Professional Experience

Humboldt Universität zu Berlin , Berlin, Germany	01/2018-12/2019
<i>Postdoctoral Fellow</i> in Department of Mathematics	
Universität Duisburg-Essen , Essen, Germany	01/2020-09/2021
<i>Postdoctoral Fellow</i> in Faculty of Mathematics	
Beijing Institute of Technology , Beijing, China	11/2021-present
<i>Assistant Professor</i> in School of Mathematics and Statistics	

Research Experience & Interest

I am a computational mathematics researcher primarily engaged in numerical methods for partial differential equations. My current research focuses on nonstandard finite element methods for elasticity problems and fourth order elliptic problems.
