Note:

A course title with the notation (3) [e.g. CHEM 1009 (3) Basic Chemistry] indicates that the course is offered to students of the 3-Year Curriculum only.

A course title with the notation (4) [e.g. CHEM1042 (4) General Chemistry] indicates that the course is offered to students of the 4-Year Curriculum only.

A course title without (3) or (4) [e.g. CHEM 1406 Basic Organic Chemistry] indicates that the course is offered to students of both the 3-Year and 4-Year curriculum.
