To Whom It May Concern,

I am pleased to formally confirm that Dr. Shima Davoudi has successfully completed the Ph.D. program in Physiology at the Department of Physiology, School of Medicine, Shahid Beheshti University of Medical Sciences, Tehran.

Dr. Davoudi commenced her studies on October 9, 2016, and successfully completed the program on December 10, 2023. She was officially awarded her Ph.D. degree in Physiology in 2023.

Should you require any further information, please feel free to contact me directly at Janahmadi@sbmu.ac.ir.

Sincerely,

Dr. Mahyar Janahmadi, Ph.D,

Professor of Physiology
Head, Department of Physiology
School of Medicine

Shahid Beheshti University of Medical Sciences
