Dear Mr Wong

**Result of examination for the degree of Doctor of Philosophy  
Medical Sciences Division**

I am pleased to inform you that you have been granted leave to supplicate for the degree of Doctor of Philosophy, as approved on 28/07/21. On behalf of the University may I congratulate you on this considerable achievement.

You will shortly receive an email from the Degree Conferrals Office, inviting you to have your degree conferred, either at a ceremony or in absence. Before your degree is conferred you must deposit a digital copy of your thesis with the Oxford Research Archive (<https://ora.ox.ac.uk/deposit>). This mandatory library submission must be completed at least five days before your degree conferral ceremony.

If you require proof of your degree prior to your graduation ceremony you will need to have fulfilled the above submission requirements before contacting Degree Conferrals to order a degree confirmation letter (<https://www.ox.ac.uk/students/graduation/certificates>).

Yours sincerely

A handwritten signature in black ink that reads 'M Wells'.
