

Student Details

Family name: Chan
Given name(s): Yu Kiu Victor
Date of birth: 05 November 1999
Level: Undergraduate
Imperial student ID: 01951280
HESA student ID:
Start date: 03 October 2020
Completion date: 30 June 2023

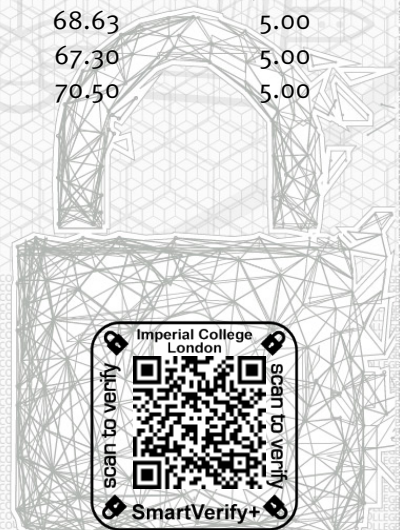

Award

Award: Bachelor of Science (BSc)
Awarding institution(s): Imperial College London
Classification: First Class Honours
Overall mark: 72.77
Conferral date: 01 August 2023

Programme of Study

Programme title: Medical Biosciences
Department: School of Medicine

Module	Year	Mark	Credit
Chemistry of Biological Interactions	2020-2021	63.50	7.50
Integrative Body Systems	2020-2021	72.26	15.00
Lab Pod 1	2020-2021	76.02	15.00
Molecular and Cellular Biology	2020-2021	73.68	15.00
Statistics	2020-2021	63.38	7.50
Cancer Biology	2021-2022	73.46	7.50
Cardiovascular and Thoracic Biology	2021-2022	79.32	7.50
Genetics and Genomics	2021-2022	59.57	10.00
Lab Pod 2	2021-2022	69.75	15.00
Neuroscience	2021-2022	77.85	7.50
Social Accountability in Action: A Collaborative Project Between Imperial and Local Schools	2021-2022	91.00	5.00
Stem Cells and Reproductive Biology	2021-2022	74.23	7.50
Laboratory Based Research Project	2022-2023	75.18	45.00
Nanobiology and Biomaterials	2022-2023	68.63	5.00
Regenerative Medicine	2022-2023	67.30	5.00
Science Communication and Public Engagement A	2022-2023	70.50	5.00

Programme Year Overall Mark

Year 1 71.35
Year 2 71.44
Year 3 73.58

Please note that any Programme Year Overall Mark reported to the Imperial College London Registry prior to the 2018/19 academic year will only be visible in the Programme of Study section of this transcript, where relevant

Prizes, Distinctions and Post-nominal Awards

Post-nominal awards: Associateship of the Imperial College School of Medicine

Authorisation

David Ashton
Academic Registrar

Issued on 26 July 2023
Document ID: 86214640-01-QC8Y
