GENERAL INFORMATION

The information in the transcript is applicable to undergraduate and graduate programmes unless otherwise specified.

Medium of Instruction The University's medium of instruction is English unless otherwise specified.

Academic Unit System The Academic Unit System was adopted from academic year 1993-1994 in the Wee Kim Wee School of Communication and Information for undergraduate programmes and was implemented in all other Schools from academic year 1994-1995 and 2000-2001 for undergraduate programmes and graduate programmes respectively. Students are required to obtain a specified number of academic units to fulfill their degree requirements. One academic unit is equivalent to 13 teaching hours in a semester or trimester.

Transfer of Academic Units Students are allowed to take some courses from another institution and transfer the number of Academic Units earned from that institution towards fulfilling the degree requirements of this University.

Exemptions On the basis of relevant qualifications attained prior to admission to this University, students may be granted exemption from some courses or from the first year of study.

Rank The University does not rank its students.

From academic year 2005-2006 onwards:

Grade Point Average (GPA) System The GPA System was adopted from academic year 2004-2005 for undergraduate programmes in the School of Humanities and Social Sciences. It was implemented in all other Schools with effect from academic year 2005-2006 for graduate students and undergraduate students admitted to Year 1, and with effect from academic year 2006-2007 for undergraduate students admitted directly to Year 2.

Students who are not under the GPA System follow the same grading system without the grade points.

(for Undergraduate Programmes only) The S/U grading option allows a student to take a course on an ungraded basis (i.e. no letter grade, e.g. A, B, etc.). For a course opted to be graded on S/U basis, the student will earn academic units for the course only if he attains a 'Satisfactory' (S) grade.

Freshmen Year GPA Exemption

(for Undergraduate Programmes only) Introduced for students admitted from academic year 2014-2015, exemption from GPA computation applies for up to 6 letter-graded courses that students do not pass on their first attempt in the Freshmen Year.

OTHER INFORMATION

Bachelor Degrees awarded by the National University of Singapore Until June 1991, all engineering students underwent a common first year programme at the National University of Singapore's Faculty of Engineering. On successful completion, students could opt to complete the remaining three years at the National University of Singapore or the Nanyang Technological Institute, the predecessor institution of the Nanyang Technological University.

Under a special arrangement with the Senate of the National University of Singapore, all engineering and accountancy graduates were awarded degrees by the National University of Singapore prior to 1 July 1991.

Certain categories of students may opt to be awarded their degree by either the National University of Singapore or the Nanyang Technological University in the years 1992 and 1993 for the School of Accountancy, and in the years 1993 and 1994 for the Schools of Engineering.
