Course Code and Sequence

The first four alphabets of the course code indicate the subject (e.g. BIOL stands for Biology). Normally, undergraduate courses are coded 1000 to 4999 and postgraduate courses, 5000 to 9999.

Total Course Load and Period of Study

Full-time undergraduate students with Secondary 6 and Secondary 7 admission status are required to complete 123 units of courses in 4 years and 99 units of courses in 3 years respectively. However, there are specific programmes which require longer study periods. Unit requirements and study periods may also differ for students admitted on advanced standing. MB ChB programme has its specific study period and requirements for graduation.

Part-time undergraduate students with Secondary 6 and Secondary 7 admission status are required to complete 123 units of courses in 6 years and 99 units of courses in 5 years respectively. Students who satisfy special entrance requirements shall complete at least 60 units of courses and attend classes for at least 3 years before graduation.

Credit Transfer

Credits accepted for transfer from other institutions are shown as number of units recognized but not included in GPA calculations.
