

Date: 25/03/2025

**THIS IS TO CERTIFY THAT THE UNDERNAMED**

**Name: Chun Lun Fan**

**CID: 02579426**

**Programme: MRes Bioengineering**

**Year of Programme: Year 1**

**Academic Year: 2024-2025**

This is to confirm that the aforementioned student is enrolled on the **MRes Bioengineering** course in the Department of Bioengineering at Imperial College London. Their start date was 28 September 2024 and their end date is 28 September 2025.

The MRes course is a 12-month full-time masters course and is worth 90 ECTS credits.

Chun Lun is scheduled to complete the following modules for their degree:

Module code	Module title	Coursework	Assessment deadline
BIOE70037	Computational & Statistical Methods for Research	Coursework 1: Statistical methods & theory (Multiple choice quiz)	28-Oct-24
		Coursework 2: Programming basics (Practical assessment of programming skills)	22-Nov-24
		Coursework 3: Jupyter Notebook Report (Lab report combining statistics & python in Jupyter)	13-Dec-24
BIOE70045	Frontiers in Bioengineering Research	Seminar Report	30-Apr-25
		Oral presentation: Journal Club	Various
BIOE70046	Topics in Biomedical Engineering (Electives)	Topics in Biomedical Engineering (Electives)	21-Mar-25
BIOE70040	Planning for Research	Planning Report	06-Feb-25
BIOE70048	Bioengineering Research Project (70.50%)	Poster submission	16-Jun-25
		Poster presentation	25-Jun-25
		Thesis submission	01-Sep-25
		Oral presentation	by 12-Sep-25

All marks are provisional until confirmed by the Exam Board. The Postgraduate Exam Board will convene in mid-October 2025, to review and confirm results.

Official results will be released after the exam board meeting.

Imperial College London is a United Kingdom university with its own degree-awarding powers and accordingly appears in the DBIS list of 'recognised bodies' at: [www.dfes.gov.uk/recognisedukdegrees](http://www.dfes.gov.uk/recognisedukdegrees).

If you require further information, please do not hesitate to contact us.

Yours sincerely,

**Kelly Condra** (she/her)  
**Senior PGR Administrator (MRes and PhD)**
