B	65 - 69	3.00		
B-	60 - 64	2.67	Pass	Demonstrate adequate capacity to apply, analyze and synthesize information, adequate grasp of subject matter, and evidence of adequate command of relevant knowledge base.
C+	55 - 59	2.33		
C	50 - 54	2.00		
D+	47 - 49	1.67	Marginal Fail	Demonstrate inadequate capacity to apply and analyze information, insufficient grasp of subject matter, and evidence of limited command of relevant knowledge base.
D	44 - 46	1.33		
D-	40 - 43	1.00		
F	0 - 39	0.00	Fail	Demonstrated very weak capacity to apply and analyze information, very weak grasp of subject matter, and evidence of very weak command of relevant knowledge base.
F(W)	0	0.00	Fail	Withdrawn from a module after census date, typically mid semester.

LEGEND

WD	-	-	Withdrawn	Withdrawn from a module before census date, typically mid semester.
IN	-	-	Incomplete	An interim notation given for a module where a student has not completed certain requirements with valid reason or it is not possible to finalise the grade by the published deadline.
IP	-	-	In Progress	An interim notation used for a module which continued for more than one semester. An "IP" grade carries with it no credit or grade until a regular grade is assigned.
P	-	-	Pass	Given for satisfactory completion of a non-graded module. Note: Non-graded module is module that is 'graded' with 'pass' or 'fail' without any grades such as Grade A, B, C or D.
AU	-	-	Audit	Given for a module where attendance is for information only without earning academic credit.
*	-	-	-	Module repeated; Previous grade(s) indicated with "*" is/are not calculated in CGPA.
**	-	-	-	Module granted supplementary assessment.
