

US-ASEAN — Science, Technology,
and Innovation Cooperation Program

September 12th, 2023

Dear Woh Pei Yee,

Congratulations! On behalf of the STIC Program, it is my pleasure to inform you that you have been awarded the STIC Seed Grant 2023 in the amount of \$12,500.00 to fund project: Machine learning Models for Antimicrobial Resistance Prediction in Foodborne Pathogens.

As the principal investigator and primary recipient, you are responsible for ensuring those funds are expended for stated purposes and activities are carried out accordingly.

Please kindly be advised that:

- The award must be used within 12 months of the award date (as indicated on the award letter)
- The first wire transfer with 50% of the grant will be made after you complete the payment administration process. The second wire transfer of the remaining 50% of the grant will be made upon submission of the semi-annual report demonstrating project progress.
- The principal investigator (as indicated on the proposal submission) is responsible for submitting a final report outlining the results and impact of the project. This report must be submitted via email within 30 days of project completion.
- The semi-annual report and final report must be submitted via email to the STIC Program Director at jose.quiroga@asu.edu

The STIC Program is proud to support your project. Thank you for your great work!

Sincerely,

Jose Quiroga
Director
