Subject: Experience Letter

This is to confirm that **Dr. Muhammad Ehtisham Ibraheem Khan** served as a Visiting Researcher under my supervision in State Key Laboratory of Green Chemistry and Chemical Process at East China Normal University, from 1st June 2023 to 31st December 2023. This letter serves as an endorsement of Mr. Khan's skills, dedication, and contributions during his time as a visiting student in my lab.

During his tenure in our lab, Mr. Khan exhibited exceptional dedication, diligence, and a strong commitment to his research responsibilities. His primary focus revolved around the "Photochemical C-H Activation of Alkyl Benzenes Via WO₃ Catalyst", Beside this he also participated in different seminars and conferences. His contributions were invaluable to our ongoing projects, and his innovative thinking significantly impacted our team's progress.

Moreover, Mr. Khan exhibited excellent communication skills, both written and verbal. He actively participated in lab discussions, presented his findings cogently. Throughout his tenure, he maintained the highest standards of professionalism, displaying reliability, punctuality, and a strong work ethic.

Please feel free to contact me if you require any further information regarding Mr. Khan's tenure at our laboratory.

I wish him good for his future endeavors.

Sincerely,

Professor Xuefeng Jiang
